Position Status: [Full Time](#)

Position Location: [Davidson, NC](#)

ABOUT IMPACT FINANCIAL SYSTEMS

IFS delivers high-performance business process automation solutions that meet our clients' unique needs through a combination of our best-in-class solutions, technology and services. As a growing software company, IFS offers a fast-paced work environment and expanding career opportunities, along with a casual work environment. IFS has been recognized by the Charlotte Business Journal and the Great Places to Work Institute as an employer with exceptional benefits and workplace culture.

POSITION DESCRIPTION

IFS has an immediate need for a Junior Front-End Developer. The ideal candidate will be one of the foundational members of a UI/UX team developing our client-side application. This is an Angular 4+ application that will provide backwards compatibility with our current application and move our platform forward using modern technologies and concepts. We are looking for a developer that is a self-starter and will take the time to learn skills where they are deficient via Pluralsight, books and blogs from leaders in the field. The team will be developing this application on industry leading platforms and be compatible with current and future web standards.

MINIMUM QUALIFICATIONS

- 1-2 years software development experience OR BA/BS in relevant field
- Exposure to modern client-side frameworks: AngularJS, Angular v2+, React, Vue.js
- Exposure to RESTful APIs, JSON
- Knowledge of current web standards (HTML5, CSS3, SCSS, JavaScript)
- Basic SQL knowledge
- Must be able to learn new technologies on your own
- Ability to work in a team environment and effectively communicate with outside clients and internal product owners

PREFERRED QUALIFICATIONS

- 1+ year of experience in modern client-side frameworks: Angular v2+, React, Vue.js
- Some experience and knowledge of Flux/Redux, RxJs, Angular CLI
- Security Skills: SAML, OAuth/Openid
